# WHAT IF IT IS NOT ENOUGH?

- Adaptation. Where are we at? How to make it successful? What are we missing?
- Pick up on the conversations that have been in this conference. Where do we move from here to make adaptation successful?
- In this session we would like you to connect the hands, heads and hearts.
- Let's use this session to take perspective on adaptation.

# Program

08:30 - 09:30 5 Key lesson talks
